Re: Request for Clarification Regarding Request for Information Submitted on March 6, 2019.
(TPIA-2019-278)

Dear Ms. Farkus:

The Round Rock Independent School District ("RRISD" or "the District") received your request for information, dated March 6, 2019. After reviewing your request, the District has determined that it needs clarification on the particular items or types of information that you are requesting. Accordingly, the District is requesting clarification from you regarding the specific types of information you are requesting, as authorized by Texas Government Code § 552.222:

In your request, you seek records regarding the following:

- All files on or related to the Round Rock ISD hacking incident in December of 2013.

This request for information is overly broad and may be costly to produce. Please provide clarification to the specific date of the incident, the specific types of files or documentation to be produced (example: emails, etc.). Please respond in writing to this request to confirm our communications.

Pursuant to Texas Gov't Code § 552.222 et al., a request for information is considered withdrawn if the requestor does not respond in writing to a government body's written request for clarification or additional information within 61 days.

Should you elect to either clarify or proceed with this request, please respond in writing providing the clarification regarding the scope and/or your decision to proceed with the request. *You may respond to this statement by delivering the written response to the Legal Services Department, Round Rock ISD by mail or in person at Round Rock ISD's administrative offices, 1311 Round Rock Avenue, Round Rock, TX 78681, by facsimile at (512) 464-5956, or by electronic mail at Open_Records@roundrockisd.org.*

We look forward to hearing from you.
